## Size and Format Requirements of Photo For WWSC “Referee ID Card”

The photo submitted for use in the WWSC referee ID card must meet the following size and format requirements:

1. The photo's size must be a 2"x 2" (50mm x 50mm) square (see the sample below).

1. The photo has to be taken within the last six months and a passport color photo in front of plain white background. The photo should be a front view of the hat-free upper-body (shoulder and up) with facial features shown clearly.
2. While we recommend you use a professional passport photo service to ensure your photo meets all the requirements, you may take the photo yourself using a digital camera, a tablet, or a smart phone. The digital image produced **must** adhere to the following specifications: The image dimensions must be in a square aspect ratio (the height must be equal to the width). Minimum acceptable dimensions are 600 x 600 pixels. Maximum acceptable dimensions are 1200 x 1200 pixels. The preferred image format is JPEG.
3. If you create the photo image by scanning an existing passport photo, in addition to the requirement in No. 3 above for the resulting digital image, the existing photo to be scanned
